EDUCATION

Carleton University

Bachelor of Computer Science Honours, Business Management Stream, CO-OP

Anticipated 2028

Ottawa, ON

- Recipient of a merit-based scholarship with a second-year standing.

WORK EXPERIENCE

Software Implementation Intern

Saudi Optics House

June 2024 – August 2024

Jeddah, Saudi Arabia

- Established and codified the first database and POS software for an optical manufacturing and retail company, connecting its factories, warehouses, and branches to enhance supply chain efficiency.
- Liaised communications between company management and third-party software vendors, ensuring tailored and effective software implementation to meet the company's needs through on-the-ground feedback.

Virtual Reality Host

VR Adventure Zone

December 2023 – March 2024

Ottawa, Canada

- Diagnosed and resolved VR hardware and software issues swiftly, maintaining smooth operations during corporate and retail events thus curbing downtime.
- Collaborated with coworkers to manage major corporate events and effectively handle a high volume of customers while ensuring customer satisfaction.

Assistant Web Developer

Bahá'í Internet Agency

January 2023 – September 2023

California, USA – Remote

- Worked closely with a team of developers to successfully release a fully functional and optimized dynamic website from start to finish.
- Improved website functionality and traffic by fixing bugs and implementing updates, optimizing website content by implementing a CMS and using SEO techniques all while ensuring seamless team communication throughout the development cycle.

Full-Time Volunteer

Beit Al-Weibdeh

January 2023 – June 2023

Amman, Jordan

- Helped run and manage a relief project in coordination with the Jordan Hashemite Charity Organization (JHCO) during the Turkish-Syrian earthquake crisis, coordinating a humanitarian response to enable effective emergency aid distribution.
- Organized and executed community-building campaigns using the Ruhi Institute leading to a significant enhancement in quality of life, neighbourhood cohesion through community building programs for ages 5 and above.
